

Hello again Kinellar, it's another busy issue. The councillor update gives Glen Reid's surgery times if you need to see him in person and the good news that we finally have a Community Council. The P5 class at KPS are now in P6 and have sent an update about what they did next. The information page has been updated, there are a lot of activities at the Community Centre and beyond. Please let us know if we have missed any.

We are sure that in the coming months there will be Halloween and Christmas events happening so keep an eye on the public noticeboards around the village: outside the hall, near the top junction to Bishop Forbes Crescent and near the Benview Terrace junction. Social media and the Hall's website are other sources of info about what is happening in our community.

If you would like to read the Kintore Konnect newsletter you will find it on the Kintore Facebook page. For the Kemnay newsletter look at their village hall website on www.kemnayhall.co.uk. And you can let friends and family out with Blackburn know what goes on here, and read the Blackie Banter on our page at the Kinellar Community Centre's website on www.kinellarcommunity.com.

LOCAL COUNCILLOR'S UPDATE

Blackburn Community Council Re-establishment

I would just like to say a huge thank you to the people who put themselves forward to represent and help our community.

I posted on Facebook quite a few times because nominations were quite low. People stepped up and the community council will start with an amazing nine members.

As the Community Council was not previously operational and doesn't have a constitution, the process for reforming the Community Council will be a little different. The council will look to provide support over a longer period and to provide you with more detailed information. They have organised two meetings in the next few weeks which will provide an opportunity for all the new members to meet and discuss the operation of the Community Council, and then focus on the constitution and running of meetings.

Blackburn Bins Success

Due to new collection routes coinciding with the switch to a three-week collection rota and a reduction in lorries operating the Blackburn route, I received many communications from constituents unhappy about repeated missed collections.

I campaigned with officers to either reinstate the lorry that was withdrawn or put the most reliable lorry on the route to improve the service.

I'm pleased to say that they have reviewed the route and there will now be THREE lorries in the Blackburn area on a Wednesday. This change took effect from Monday 19th August and the plan is that those lorries should finish Blackburn by late morning.

Surgery Dates

I host monthly surgeries on rotation in the four main settlements of my ward.

There is no need to book, so please come along if you feel that I can assist you in anyway:

The Axis Centre, Newmachar	6.30 - 7.00 pm	09.09.24 & 03.02.25
Hatton of Fintray Village Hall	6.00 - 6.30 pm	14.10.24 & 03.03.25
Kintore Primary School	5.45 - 6.15pm	11.11.24 & 12.05.25
Kinellar Primary School	6.30 - 7.00 pm	09.12.24 & 02.06.25

Cllr. Glen Reid, Community Champion - LGiU Scottish Councillor Awards, East Garioch (Ward 12), 07388 956139.

Blackie Banter is compiled by a very small group of volunteers, it is also delivered by volunteers, to around 1250 homes. Short items and letters are welcome and should be submitted as early as possible during the month prior to publication. Issues are published in Feb, June and October. Articles will be included, space permitting, at the Editors' discretion. Opinions expressed by writers are not necessarily those of the Editors. Contact us and email your articles to blackie.banter@hotmail.co.uk. Phone 01224 791649 with any queries. Photos are welcome but will be black and white. We require you to have the image ownership, and permission of anyone visible, before submission.

It's another eventful period for us at KCC. Lots of things are moving forward and we have received such a great support from the community. We are excited to give you an update.

We had a great build up and delivery of this year's Gala! Thank you to everyone who braved the weather or toughed out the sore heads from the Scotland game to join us! We had a bigger concentration this year on having a good food and games offering. We raised an amazing £5000 that will help offset the everyday running costs of the hall. Thank you so much to all our stall holders and our fantastic volunteers. The gala couldn't happen without the amazing team of volunteers and the fundraising committee!

We had a great inaugural quiz night at the start of September. Paul hosted 16 teams participating and money raised will help with giving the hall a much-needed refresh! The team 'Shrek's a belter' won our first ever trophy that will sit in the Centre and be a new point of pride! Thanks to all that came and to Paul for his cheesy jokes and hosting skills.

We are thrilled to announce a new partnership with Gears Boxing! We have worked together to install some brackets for bags so classes and training can really ramp up and hopefully support them expand their offering. Please check out our website soon to find out more about their classes and upcoming events.

Kinellar Stars is back after the summer break. If you have a little one that is two that you'd like a couple hours of play based learning for them, please get in touch. We still have a few spaces left. Reach out to Kat on her email below.

We are still looking to recruit some new board members! If you have IT skills, a specialty in social media or are just keen in helping drive the strategic direction of the centre please get in touch with Danielle on her email below.

We also want to shine a special spotlight on two special people. First is Steve. He can be found down at the centre most days fixing one thing or another for us and we can't appreciate him enough. His hard work to patch up the car park and ensure the centre is somewhere safe and warm for us all is very much appreciated.

The second is a big congratulations to our manager Kat who has now been with us for a year! She has done an amazing job coming in during a very busy time, picking so much up very quickly and helping drive the centre forward. The board is so grateful for her hard work, dedication and creativity as such an asset.

We have more upcoming events and user groups listed. Please get in touch if there is something you would like to get involved in, or if you aren't seeing something that is for you, please let us know! We are always keen to support in setting up new user groups, activities and events to ensure we have something for everyone.

Fintray Kinellar Keithhall Church of Scotland

Fintray, Kinellar, Keithhall Church has been very busy since the last edition of the Blackie Banter. In July I was invited to the end of term service for Hatton of Fintray School. It was a super afternoon, and I presented the P7 leavers with their gifts.

It has not been the best of summers with very mixed weather, and I hope many of you were able to enjoy a break before all your new sessions started again.

The church at Fintray which is used every Sunday for services is thriving and we have a regular number of people coming Sunday by Sunday. On Saturday 14 September we held a Candlelit Supper in the Village Hall at Fintray and sixty people came along for a three-course meal with tea and coffee and shortbread. The hall was beautifully decorated and two young girls entertained with lovely dancing. It was a great evening, and everyone had a wonderful time with excellent food.

I am going on holiday but know that the church is in good hands. The service on Sunday 22 will be taken by Jarrod Meenan and the following week the Worship Group will lead the service.

We are having an Advent Study beginning on Wednesday 20th November at 2pm in the meeting room at the church for four weeks. We will then be looking forward to services at Christmas. All dates and times will be on the Fintray, Kinellar, Keithhall website or Facebook page.

Every blessing to all organisations and I hope all goes well. Thank you, Sheila.

Rev Sheila Craggs, Interim Moderator

KINELLAR PRIMARY SCHOOL: *Kinellar P5 update, our successful fundraiser*

In June 2024 the P5s at Kinellar School decided to follow up our school and community litter picks by organising a fundraiser for Keep Scotland Beautiful. We advertised the event and invited pupils from other year groups to come along to the Orange Area. We ran some stalls including very popular chocolate tombola and biscuit icing stalls, a book swap and a put the rubbish in the bin challenge. The fundraiser was a huge success! We appreciated all the donations from the Kinellar families; it wouldn't have happened if it were not for you so thank you! We were awarded the Environmental Shield by the school in recognition of our achievements. We gladly raised £691.19 and the money went to the Keep Scotland Beautiful Charity to help them with their work to stop littering in Scotland. Suzanne Roberts from Keep Scotland Beautiful said, "This news has made our day. Thank you and all those in P5 who thought what we do was worth raising some money for".

GIRLGUIDING

Kinellar Rainbows have started back for this short term with 5 new girls and a new Unit Helper, Kerry. We are working on a Communication Badge to help the girls get to know each other. This involves a variety of games and craft activities. We're looking forward to revisiting the Inverurie Men's Shed allotments next term to see how well our pumpkins have grown. We'll also be enjoying a Halloween party, doing Christmas crafts as well as another badge and ending the term with a Christmas party.

Kinellar Brownies: At the end of last term, we said goodbye to several Brownies who were the first to complete the full Brownie programme since we reformed post COVID. Two of those Brownies, Eva and Neve were awarded their Gold Award. We celebrated with an end of term trampoline party; the girls had a fantastic time. A new summer term brings a group of new Brownies, who have all settled in very well. This year we are focusing on our Know Myself theme where we will explore our community, our culture, our beliefs, and our values. You may have seen the Brownies on a walk around the village identifying places to have fun, keep fit and stay safe. Our second theme is Be Well where we will learn how to help others and what to do in an emergency. Activities outside of our programme this term include our district campfire, Christmas crafts, a cinema trip and an end of term Christmas party.

Kemnay Guides welcomes girls from age 10 from various local villages. Girls currently attend from Kinellar, Monymusk, Sauchen and Kemnay itself. This term the girls are working on their map and compass skills. Planning is also underway for the units 100th birthday in Spring.

All the units in the District of Kinellar, Kemnay and Kintore attended a Campfire this term and are planning a cinema outing next term. There are also plans for an outdoor event in May 2025. If you want your daughter to come and join the fun please register at www.girlguiding.org.uk.

Sue, Allison & Amanda

We members of our Club have been keeping ourselves busy around the villages, supporting local groups in their fundraising efforts. We have been assisting by providing bar staff for their functions, setting up gazebos for Summer Festivals, and selling raffle tickets. We also have a project called Funds4U, where local groups can apply for funds towards individual project costs.

Each year Rotary Clubs in the Aberdeen area support fund-raising for Charlie House, by selling raffle tickets – the grand prize being a new car. To date the local Clubs have been able to raise over £90,000 towards the build project.

We also support the Rotary Shoe Box Appeal, where we send boxes filled with presents donated by generous residents to children in need in Eastern European countries such as Romania and Ukraine. Many of the children live in orphanages, and these boxes are the only present they have ever received. The boxes are available now, our deadline for delivery to Dyce is mid-November.

In June each year, Aberdeen and local Clubs organise Kids Out, which these days is located at the Barracks, Bridge of Don. We provide entertainment and attractions for children with special needs, hopefully of a sunny day. It's so rewarding to see the smiles on the children's faces.

In addition to my Club responsibilities, I am also the Youth Services Team Leader for the north of Scotland – comprising a total of 88 Clubs. Our team looks after the youth competitions, including the Primary Schools Quiz, which I am sure some parents are familiar with. In addition, we have individual competitions such as Young Writer, Young Photographer, Young Artist, Young Environmentalist, Young Chef, and Young Musician. We come across many talented youngsters in the different age categories and are proud to have the winner of the Young Photographer in the United Kingdom Final 2024 coming from Kemnay Academy.

If you would like to know more about any of the above, or just want a chat, feel free to contact me, I would be happy to oblige.
